CCYSA will be offering age size-appropriate soccer balls to the midget group only. This will ensure that the new soccer player has their own ball, either at practice or developing their skills at home.

This year the **only requests we will be taking is for brothers and sisters playing on the same team**. We are doing this because this is a recreation league, and requesting to play with a coach or with friends can inadvertently put many skilled players on one team. We want the skill level on these teams to be a mixture so all games can be fun for all skill levels.

Team rosters will appear in the Cortland Standard by July first, and opening day this year will be Saturday July 23rd, with team pictures taken and Geared to Sports present for all your soccer needs.

Each child and coach registering with CCYSA is provided with secondary insurance in case of any injuries.

Each year we have close to 1,000 of children sign-up to play in our recreational summer program. We could not do this without the active participation from **YOU!** Please continue to support this great program by volunteering to coach. We will be offering, a referee clinic for all kids interested in refereeing CCYSA games.

Looking forward to seeing you this summer!!

Regards in Soccer,

Harry Ashendorf
