### Schedule Information:

1. Please have players ready to play 15 minutes prior to the times listed above
2. January 9 is intended to be a practice time for you to work on individual skill development with your players. Since two teams will be sharing a field, there is an opportunity to use this time to scrimmage another team.

### League Information:

1. League Coordinators: Machell Phelps 756-1864 and Rich Wagner 591-6542 rjw@holt.com
2. All games are played at the J.M.McDonald Sports Complex's large, boardless field.
3. Players and coaches should stand on the far side of the field. Parents and other spectators should stand or sit on the bleachers on the opposite side.
4. Please use the first 10 minutes to stretch and warm-up the kids. This is a great time to teach / reinforce a skill each week, such as dribbling, passing, trapping, etc. After 10 minutes, the game clock will start running. There will be (4) 10-minute quarters, with a 5-minute half-time in between. Games should conclude 5 minutes before the session ends to pick up equipment and clear the field for the next team to begin warming up.
5. Intermediate teams play 4v4, half-field games with one player (with a distinct jersey or pinnie) designated as goalie (5 total players on the field). A complete copy of the Boarded Field Rules is available upon request from the Sports Complex or Cortland County Youth Soccer.
6. If a referee fails to show-up, please designate a parent or volunteer as referee and contact the league coordinator to report the incident.
7. As a recreational league, the emphasis should be on developing skills, working as a team, and modeling sportsmanship in all aspects of the game. If one team is winning by 5 goals, that team should remove a player or have the other team add a player on the field to keep the game fun and enjoyable for the kids. If a referee makes a poor decision, please respect the call and continue play.
8. Have fun! If you have ideas or suggestions to improve the league, please don't hesitate to let us know. As volunteers, we do our best to provide an organized, safe and enjoyable place for kids to learn and experience the game of soccer for a lifetime!
